Question for Officials

Date: 2025-09-29

Question No: 06

Question For: Race Committee

Question:

Sailing Instruction 12.5 says: spinnakers and gennakers are prohibited before crossing the startline. Could the race committee define if a rolled gennaker not "set" could be hoisted before the startline and deployed after crossing the startline?

Answer:

The Race committee confirm that the gennakers or spinakers can be hoisted before the start and déployer after having complety crossed the starti g line . SI 12.5
