

Turkey Day Regatta

Question for Officials

Date: 2025-11-02

Question No: 01

Question For: Race Committee

Question:

Saturday, October 25, 2025

Hi Steven and Greg,

I'm Nate Mortkovitch—skipper of an Nacra F18 Infusion ("F18 Pleasure Point II"). I've registered for the Turkey Day Regatta (Nov 22-23, 2025) and will be coming down from Santa Cruz. It'll be my first time at this event, and I'd love a few friendly pointers:

- Where and when do F18s typically rig?
- What's the preferred launch spot, and should I launch with beach wheels or from the trailer?
- Where should I park/leave the trailer during racing?
- Do you have a course diagram or sample SI map I can review ahead of time?
- Any recommendations for affordable, racer-friendly places to stay nearby?

If it's convenient, a quick call would be amazing—I'm at 424-750-5000.

Thanks so much for the help, and here's to blue skies and fair winds!

Warmly,

Nate Mortkovitch

Skipper, F18 "Pleasure Point II"
