Date: 2026-03-13

Question No: 01

Question For: Organizing Authority

Question:

I seem to have paid £80 by credit card instead of £96. I then tried to “pay the balance” which it said was £16, which is correct, but then when it asked for credit card details an amount of £96 was showing. I do not want to pay another £96 so how do I pay the balance?

Answer:

Pat,
Sorry about that!

Teething problem.

All sorted.
