**Question No: 01**

**Question For: Race Committee**

**Question:**

I was on my way to the finish on final reach before short upwind. I was told by a yellow flag rib to go in. I assumed I was timed out as I could not see a blue flag on finish boat and complied. I note from the results the 2 boats behind me got a result... 49171 was 2 places behind me and scores a 13th. Would redress request be an option in that situation?
