

2026 ORC World Championship

Question for Officials

Date: 2026-04-12

Question No: 01

Question For: Technical Committee

Question:

Good morning, the safety checklist document published on January 16, 2026, on the Racing Rules of Sailing ONB, also indicates that EN-marked life jackets are permitted, while the OSR only provides for ISO-marked life jackets.

We would like to know if the published safety checklist is still valid or if the current OSR are the reference.

Best regards

Nicola Baldas for BRAVA - ITA1000
