## Question for Officials

**Date:** 2026-05-05

---

**Question No:** 04

**Question For:** Race Committee

**Question:**

Dear RC

We noticed the time limit of 36h for the offshore race. It would be quite stretched for the slower boats of class C. Would you consider a time limit extension or a revised shorter course for class C? also considering that the offshore cannot be discarded.

thanks and regards

---

**Answer:**

All noted. Thank you
