

73° Loro Piana Giraglia

Question for Officials

Date: 2026-06-12

Question No: 03

Question For: Race Committee

Question:

In the WL course section the course is listed as Start,1,2,3S/3P,1,2, Finish. SI 13.4 states that "In case Mark 1 is changed, Mark 2 will not be relocated. It does NOT say that mark 2 is no longer part of the course. Can you please clarify what "not be relocated means". Does it stay in its original position and we still have to round it or is Mark 2 no longer part of the course?

TC

Can you please provide the range and bearing to the gate in the radio and whatsapp communications in the pre race time.

Thanks,

Answer:

In case of changing mark 1, mark 2 is not longer part of the course, even this buoy is still in the previous position.

Mark 2 have not to be rounded.

Range and bearing of the gate will be announced by vhf
