**Question No: 02**

**Question For: Race Committee**

**Question:**

Dear Race Committee,

My name is Baptiste Monnier, from the Confluence sailing team, which will be competing in ORC A at the Copa del Rey 2026.

I am writing to request permission to update our ORC certificate after the 28 July deadline.

We have completed our registration and submitted our current ORC certificate. However, the certificate is not yet final: we have experienced a delay with a new kite, and due to an after-sales process, it will not arrive in time to be measured before the deadline.

We would therefore like to have it measured in Palma and update our certificate on site. We are happy to coordinate with the ORC measurer at your earliest convenience.

We would be very grateful if you could grant this exception.

Best regards,  
Baptiste
