Question for Officials

Date: 2026-07-27

Question No: 01

Question For: Protest Committee

Question:

Vakaros says I am OCS. I quickly round the pin and I start but Vacaros still shows OCS. Did I start correctly?

Answer:

Per Sailing Instruction RS.7, Vakaros is the official identification for the boats infringing RRS 29 and 30. If after restarting, the Vakaros still shows red, the boat will still be identified as OCS.

Per Sailing Instruction RS.8, the boat can not request redress.
