Question for Officials

Date: 2026-08-30

Question No: 02

Question For: Race Committee

Question:

Regarding the response to the my first question, does this mean I can use the Vakaros during racing if I have it on the ILCA class rules function that does not have any access to the GPS data on and off the water?

Answer:

Yes. The Atlas 2 device must be set to use the ILCA Class Rule configuration.
