

2021 ILCA 6 Youth World Championships

Question for Officials

Date: 2021-07-28

Question No: 06

Question For: Race Committee

Question:

Dear Race Committee,

My name is Niek den Tex, I am the father of Cornelis den Tex. I registered my son for your event with his previous Laser / sailnumber 196999. However, this hull had a leak which could not be fixed. So the week before the Youth World Championship started, I bought a new ILCA 6 / sailnumber 214090. I should have notified you of this change, but I failed to do so. My apologies, I did not realize I should have done this. My excuse is that I am a novice in sailing.

My question is if you could rectify my son's sailing number, so he will be included in the results. This is for him very important, as he aims to apply to a few of the best universities in the US. He has already competed this summer in the world mathematical championship for high school students (<https://wiskundeolympiade.nl/voorpagina/nieuwsarchief/242-twee-medailles-voor-nederland-bij-internationale-wiskunde-olympiade>) and it would help him if he can show he has sailed competitively at this World Championship to gain access to one of these universities. For this, his results should be included in the rankings.

Again, I apologize for not contacting you sooner but I would really appreciate it if you could help my son.

Yours sincerely,

Niek den Tex
