## Question for Officials

**Date: 2021-07-27**

---

**Question No: 02**

**Question For: Race Committee**

**Question:**

We are requesting redress for an incident.

We capsized and turtled on the downwind on leg 4 of the first race. The mark boat said we were in distress and told our coach to help us. We were okay and thought we had a chance to right the boat and finish the race, but we were not given the option to keep racing. We were just told that we had been retired.

**Answer:**

Please file for Redress with the Protest Committee. Paul Clissold, Race Officer
