Question for Officials

Date: 2021-11-16

Question No: 01

Question For: Race Committee

Question:

I just want to check about the courses for this weekend, particularly the finish of the leeward finish courses. SI 14.1 provides "When finishing to leeward the finish line will be between a staff displaying a blue flag on the RC Signal Boat at the port end and the course side of the starboard-end finishing mark." That does not seem to be consistent with the course card which shows the finish being over the start line.

Perhaps the SI 14.1 overrides the course card but I thought I should check.

Answer:

SI 14.1 is correct as written - from the perspective of the competitor. Sailing towards a downwind finish the port end of the finish line will be the Signal Boat. The starboard end will be the finish mark as described in SI10.
