Date: 2019-06-25

Question No: 02

Question For: Race Committee

Question:

In race 1 the X-flag went up. No boats went back. No one was scored OCS. Where there any race committee actions on Bravo course in race 1? If not, why not?

Answer:

[2125 Friday, 21 June] We have directed your question to the race committee, who can better answer it, rather than the jury.

In race 1 The OCS boat was at the pin. They rounded the pin, clearing themselves. No race committee action required.
