**Question No: 01**

**Question For: Race Committee**

**Question:**

Hi Race Committee,

Understand that the final results have been posted on the online noticeboard as of 19:49hrs, following the provisional results at 17:49hrs.

Notice that there was a change in ILCA 6 race 5 results, with boat 216432 no longer being scored UFD. However I noticed that there was no submission of a official scoring enquiry online as of 20:10hrs. Screenshot as attached.

For your clarifications please.

Thank you.

**Answer:**

Hi Victoria,

Thanks for your question. It's Jerrold the Race Officer here. According to RRS 90.3(c), "When the RC determines from its own records or observations that it has scored a boat incorrectly, it shall correct the error and make the corrected scores available to competitors." In the case of Race 5 for the ILCA6, it was realised that there had been an error in scoring 216432 as UFD as the start was clear. Therefore, the results were corrected accordingly.

Kind Regards,  
Jerrold
