## 7. Description Of Incident

Wind dropped on 80% of the course to 0 wind. Race would not have finished for anyone if RC wouldnt have shortend the course to finish at the topmark.

We went from 4th to DNF and 10 min left to topmark. Which means we lost around 30 min on 1 upwind. Thats not a quality and fair race. Very disrespectful from RC. Same race number 7(even though that was slightly better.)
