## 7. Description Of Incident

We were both on port tack on our way to the bottom mark.

There were a tangle with few kites in the water right next to the mark.

Sofia shouted « jiiiibe » and jibed straight after.

I couldn't jibe because of other girls coming on starboard leeward of me but Sofia still decided to jibe.

She didn't give me enough time to react and I did my best to go downwind but it was not enough and because of the girls tangled doing windward was not possible.

And Sofia tangled me during the jibe.

We ended up tangled and I couldn't finish the race.
