Scoring Inquiry:

I placed 20th. Scoring penalty was supposed to be 30% of Race 2&3. However it shows I got a 24 point (120%) penalty instead. Score should be 26 (20 + 30%).

Response:

Hearing decision was a 30% SCP penalty on Race 3. A 30% SCP penalty is calculated as the score in the race plus 30% of the points for a DNF finish, a DNF finish would have been 80 so a 24 point penalty is correct.
