Scoring Inquiry:

My crew and I believe that in race 2, we finished after JPN 55455 and before JPN 55525 and finished 6th overall. We also realised that in the overall results, that 6 th place was missing and there was 2 boats who finished 28th. Could you please go over the finish video. Thank you so much for your time.

Response:

Corrections will be made due to errors in score.
