Scoring Inquiry:

We would like to ask the race comitee to video review race number 7 finish, we were finished 69 according to the results, but we think we finsihed before a plenty of boats which was written front of us in the list, we have an orange kite, and bow number 653, please double check this finish, we finsihed at the comittee boat side of the finish and the other boats were at the pin end which we think we overtook.
