**Request No.: 05**

**Course: A Opti**

**Race No.: 2**

**Posted Score: 28**

**Competitor: Optis - A - 20 - Marcus Durlach**

### Scoring Inquiry:

Im the 2nd race of yellow fleet, I started the race with a clear start 1st of the pin, shortly after the start the majority of the fleet that had just finished came downwind directly through our race course on the left side. This greatly affected me as they were hitting me and making me change course to avoid contact, they were also creating a huge wind shadow. This was only happening to the people on the far left and therefore not affecting other people created a big advantage for others and a big disadvantage for the pin starters. Moving me from a clear air position in the front of the fleet to a disappointing 28th place

### Witnesses:

Alexander forssen :Sweden 4921 Pin boat Finish boat Coaches Race committee All the fleet

---

### Response:

You need to submit a Damage Report, not a Scoring Inquiry.
