Scoring Inquiry:

Jury boat flagged us for pumping on the first downwind of the first race. We quickly doused our spinnaker and did 2 tacks and 2 gybes. The committee saw us so it must be a mistake, we also have many witnesses who know we did our spins.

Response:

When you were flagged by the judges for pumping, you were on starboard tack. You doused the spinnaker and did one and a half turns and ended up on port. We did notice you had to avoid another boat while doing your second turn, but you did not complete it. As a result, we had to score you dsq.
