### Scoring Inquiry:

I submitted an inquiry earlier and received the response that my score had been corrected. My score for race 4 has not been changed. I finished 8th in the 4th race, two positions behind 21633 (this does not include any UFDs for any other sailors ahead of me, this was the position I finished in with all the boats that completed the race).

### Witnesses:

21633 as well as the witnesses listed in my previous scoring inquiry

### Response:

Corrected Score: Score changed

Your request will be forwarded to the RC to check The paper records show that you finished last.

Hello your score was corrected to 6th position. Sorry about that.
