### Scoring Inquiry:

I finished the race in 6th, 1 place behind IRL 1599 (scored 5) and 2 places ahead of IRL 1676 (scored 7). I was also 4 places in front of GBR 6547 who was scored 10. I was mixed in with the junior fleet so I believe the finish boat missed my sail number

### Witnesses:

GBR 6547, GBR 6316
