Scoring Inquiry:

In the last race we finished number 6, giving us a total overall score at 25 points. We are then 4 boats with the same score: Gorgo, Kalimera, Panagia Despina and Mayflower. Is it not then the last race score that defines the overall result? Shouldn't the results be in the order of Gorgo nr 3, scored nr 3 last race, panagia despina 4, scored 4th, Mayflower nr 5, scored 6th and Kalimera nr 6 who scored 7th?

Response:

The races are scored according to RRS Appendix A. Please read it carefully.
