Scoring Inquiry:

In the final results posted for the RCYC Royal Weekend, it has all the competitors, except for Bangalore as DNC. This however is not the case, we started the race with CAN 21 (Sarrissa) but they later retired from sailing. This means they should be scored RET or DNF.

While this does not change the outcome, it does give others reading the scoring sheet that we raced uncontested in order to pad our score, which is sportsman like in my book.

Could you at your convenience, change the result to reflect what happened on the race course.

Regards,

Gregor Flavell
