### Scoring Inquiry:

We are 3 laps behind compared to the scoring system. Our 1 lap was missed. It recorded at approximately 24 minutes. But our 1st 2 laps were 12 minutes each. Later on there was a lap that recorded 44 minutes but 22 mins each. There were also other teams that were recording 6 minutes per lap, which obviously was not realistic. By my records, before the live system stopped we were 3 laps behind on the system compared to our real score.

### Response:

Corrected Score: Added lap according to record
