Scoring Inquiry:

I finished the race on the third place in blue fleet race number six. First was an Italian competitor, who came on the finish line around 100 m ahead of ESP 3412, who finished just ahead of me. I finished third in the blue fleet, yet the posted score for the sixth race is DNC. When I was crossing the finish line I looked at the person who was reading the competitors finishing, and I was surprised to see him not reading out my number. That may be the cause of this mistake.
