### Scoring Inquiry:

My score said that I did not start the race number 3 and 4 of the day but I actually finish the race in approx place 14/15. There was a problem with my inscription and yesterday I was put on the 4.7 list and I went with the judges and inform them about my situation. On the race 1 I had to get out of the race because of a problem I had with my sail and I did not arrive at time to the 2 race, so the results of race 1 and 2 are correct but I did complete race 3 and 4
