Request No.: 55

Course: Bravo

Race No.: Race 6

Posted Score: UFD

Competitor: Optimist Gold Fleet - Optimist - 142 - Nil - Sean Kum

Scoring Inquiry:

The comboat picked up its anchor at around 3 minutes and this caused them to drift back which led to me being caught over when I was not.

Witnesses:

Coach sommai and Edward have video evidence of this mistake by the race committee.

Response:

After reviewing the video, no score change. You are over the line.
