### Scoring Inquiry:

We past the finish line for the race 1 but when I arrive I saw the race commitee boat move because it didn't maintain his position at anchor. When I arrived near mark 2p in my second lap I was behind FRA 3339 but I capsized between the 2p and the finish line. I saw the GER 2540 past front of me.

GER 3434 past the finish line just after the first lap. So the time limit after the first must be corrected and allow me to be classificated in the first race in 9th place.

### Witnesses:

FRA 3339

### Response:

Corrected Score: 8th

after check RC found out that FRA 3133 crossed the finish line after GER 2540.
