### Scoring Inquiry:

I notice on 4/23/25 we got a dnc, but we were in the race, when we were coming into the breakwall for the final 3rd of the race, one of our spinnaker sheets wrap around the rudder, we spent 15 minutes attempting to fix, eventually one of the crew jumped into the water and cut the line.

### Witnesses:

many boats say our situation but we were more concerned about not drifting into the rocks

### Response:
