Scoring Inquiry:

Just for clarification since the S2 Summary was recently posted. We were scored DNC when in fact we were DNS. We reported to the RC and later advised them that we were too wet and cold to race so we went home. The score of 4th position is correct, however the DNC is incorrect. As per ~ A11 SCORING ABBREVIATIONS "These scoring abbreviations shall be used for recording the circumstances described: DNC Did not start; did not come to the starting area. DNS Did not start(other than DNC and OCS)" Thanks Bill
