Request No.: 06

Course: VI 360

Race No.: Leg 3

Posted Score:

Competitor: VI360 - 1 - Golux

Scoring Inquiry:

There is a problem with the ORC certificate

Response:

The following outline the steps RC has taken to review this inquiry:

1. RC has reviewed your certificate
 1. We note that it is a GER certificate and has GER custom scoring options.
2. RC discussed this with ORC North America
 1. RC and ORC have agreed that the GER certificate is not appropriate
 2. ORC has produced a test certificate with the North American custom scoring options.

RC Concludes: The test certificate will be used to produce results with North American Custom scoring options are used. Therefore scoring will be re-done using the new test certificate.

RC Actions:

June 4, 12:10

1. The PRO will send the test certificate to the race scoring officer. The scoring officer is not available during the work day.
 1. Therefore: This inquiry has been marked as "Scoring Needed" The inquiry will be resolved when the scoring has taken place, at which point this will be marked as "Scoring Done"
2. At approximately 1700, the scoring officer and PRO entered the new Test

Certificate. The ratings were the same as what had been scored originally. The scores from Leg 3 and 4 may change as a result of other changes to the scoring, but the corrected times should not be changed.

1. Scoring is now considered done.

The test certificate is attached for your records. We have a Double Handed Test Certificate too if you would like, and can fwd separately.
