### Scoring Inquiry:

coyote imx 45 is listed as finishing the race with elapsed time of 02:58:18

arkas sailing team blue moon ( performance tp52 ) is listed as finishing race with elapsed time of 02:57:47

we finished alongside 3 other boats but we believe the only way for coyote to have achieved this position in relation to our tp52. was to either not complete 1 full lap of the course or to have sailed the irc2 course by mistake saving significant distance on the course .

At no point did we see coyote in front of us at any mark rounding from start till at the finish line

many thanks

arkas sailing team

### Witnesses:

daguet , musica , vesper, blue carbon whose results will also be effected
