Scoring Inquiry:

At the start of race 10, I was close to the pin and could not accelerate, so I had to tack back and I crossed the line behind 6 boats. That's why I wonder why I got a UFD.

Witnesses:

My coach (number 41) has a video from behind the line of that start.

Response:

You were close to the pin prior to the start and crossed the line before the starting signal.
