**Request No.:** 34

**Course:** Windward leeward WA3

**Race No.:** 2

**Posted Score:** DNC

**Competitor:** SB20 - Red Fleet and Green Fleet - 3809 - Ted - Michael O'Connor

### Scoring Inquiry:

We started with the fleet, sailed the entire race, and received the gun from the committee boat at the finish. We finished about 1 minute ahead of second place alongside some B211s. But are marked as DNC in the results. Think there was a typo in the results.

### Witnesses:

Davy Taylor, Ben O'Donoghue

### Response:

Corrected Score: 1

Apologies, scoring error on my part.
