### Scoring Inquiry:

I was not finished for any of the races today, even though I completed the full race distance and finished properly. I think that there is a problem with my sail number and country flag. This is a teir 3 event, so the accurate country code is not required. I am registered under the United States, but my sail is chartered, so I am Sailing with an Australian flag.

### Witnesses:

Louise Metener, Jaxon Hottenger.

### Response:

Substitution sail number inserted in the result
