Competitor: Moth - FIN 4978 - Erik Lindahl

Scoring Inquiry:

I finished the race after AUS 5175, who according to the results finished in 24th place. There might have been one boat between us but this boat is the closest reference I can give. I rounded full two laps. I wish my result can be checked. Thanks.

Response:

Corrected Score: 25

Accepted. We confirm 25th place
