Race No.: 7

Posted Score: 3

Competitor: Optimist Gold - THA1493 - SORAWIT NAKSUK

Scoring Inquiry:

From my perspective I went into the finish line as 2nd place which is before THA 1253 had entered the finish line but according to the posted score I got 3rd place. If possible I would like to request permission to view the video footage at the finish line on race 7

Response:

The finish line committee has checked. The referee confirmed the original result.
