We hereby inform you that due to an error by World Sailing, one of our crew members BRAEG14 was not categorized until yesterday, July 30, 2025, having submitted the request 10 days prior.

We would like to be included in the corinthian category, as all our crew members are Cat 1.

Response:

Entry deadline: Valid Corinthian Division crew lists must be submitted by 11 July 2025. Each entry must include the full crew list with gender, World Sailing Sailor ID, and categorization group.
