**Request No.: 01**

**Course: Saturday course, copper point stb, mark 4 stb, goat island stb Cush stb, Amelia port, finish**

**Race No.: 8**

**Posted Score: 3**

**Competitor: Irl100 - Jungle juice - Clinton copithorne**

### **Scoring Inquiry:**

I believe the start time for the race was entered incorrectly to the results system. The time entered was 13:35. This could not be correct as there was a delay in the start and a general recall.

### **Witnesses:**

Killian power

### **Response:**

Yes the start time was recorded incorrectly. However, for all Club Races the elapsed time for each race is entered in the results system rather than the actual start time and the actual finish time with the elapsed time being recorded from the actual start of the race.

The results as presented are correct as they are based on elapsed time albeit the start and finish times recorded are incorrect.
