Course: Olympic Triangle

Race No.: one

Posted Score: 18

Competitor: Fireball - 14915 - Ballderdash - Frank Miller

Scoring Inquiry:

this was one of best races. We were certainly in the top ten, I think around 6th. I can't remember who was in front or behind us. We had a bad race in race two - were the scores for race one and race two mixed up? Either way our result for race one is wrong.
