Scoring Inquiry:

Sorry, but I could not find out where to log this request.

As discussed, prior to race 1 today, I snapped my mast (AL 8151), rendering my boat unsailable for the event. Rather than not sail for the rest of the Nationals, I have a request.

I would like to change to sail AL 1781, using sail number 1781 and also change for Chris Somner (the owner) to helm, with me crewing.

Please could you confirm agreement on behalf of the class, and agree with the race officer.

Thanks

Martin

Response:

Thanks for your enquiry. The class has approved that you can use a different boat (Sail number 1781) for the remainder of the event because before race 1 your boat (8157) was broken.
