Scoring Inquiry:

I started in the middle of the line with other boats on the same line as me. A few seconds before the start, SGP 159 came up on my windward side and accelerated. Although SGP 159 was not recorded as BFD, I was flagged as BFD. I am confident that I was not over the line at the start because. My boat was positioned below both the committee boat and the pin end boat. The current was pushing me further below the line, making it unlikely that I was over early. Hence, kindly request that the race committee to review their video recording of the start.

Witnesses:

SGP 159
