Scoring Inquiry:

Hi, due to the weather conditions, my son missed signing out as he just finished rigging up his boat when the horn was sound to launch. He quickly got into gear and rushed to launch his boat. Can you please give him a chance as I left him here all alone and he has to handle everything himself. He is only 9 years old. Sorry for the inconvenience caused.

Response:

We understand the situation; however, we are very particular when it comes to the safety of the sailors. The rules are in place for this reason and are clearly stated in the Sailing Instructions under section 19.2. See details below:

19.2. [SP] Check-Out and Check-In Procedures:

- 19.2.1. Before launching on each scheduled racing day, a competitor from each individually Check-Out by personally signing on the forms provided at the Race Office. This also applies when boats are relaunched after returning ashore following the application of SI ~~18.4~~19.4.
- 19.2.2. Upon returning to shore after racing, a competitor from each boat shall individually Check-In by personally signing on the forms provided at the Race Office as soon as possible but no later than the protest time limit. This also applies when returning ashore following the application of SI ~~18.4~~19.4.
