Scoring Inquiry:

We raced in both races of the Autumn league last Saturday , I have just seen the results to see we got a DNF which clearly is a mistake.

When we started the committee boat had 3 displayed on the board so we look it that we were doing 3 rounds, on the 3 beat we passed the committee boat with no finish flag up so we continued sailing to the weather mark & we were lying 1st by nearly half a leg. When we reached the weather mark the HYC rib was pulling it up & they told us that we had done an extra leg. We then sailed downwind to the finish line & sailed around the pin & back upwind to cross the finish line correctly, after this we went to the committee boat & they said they shortened the course over the VHF to 2 rounds which we didn't hear due to the wind but we presumed we still got a finish of last place but they put us down as a DNF even though we finished less than 2 minutes after the HYC J80 sailed by Team Dux Eile.

Response:

Corrected Score: 6th IRC & 7th HPH

The RO has confirmed that "Jawsome" finished Race 1, crossing 2 minutes after "Dux Eile". Results to be amended to reflect this.
