Scoring Inquiry:

Hello

I do not understand the slalom scoring.

In my case my scores are 1,8,4

Nb 5611 has the following scores : 7,2,3

We discard 1 race, so remain : 1,4 for me and 2,3 for 5611.

My understanding is that with one 1st place instead of a 2nd place for 5611, I should rank 3 and 5611 4,

and not the opposite ?

Thanks for response and explanationd

Rgrds

Emile

Notice of Race 21.3 defines the way we distinguish between ties. The best discards decides.
