**Request No.:** 03

**Course:**

**Race No.:** 4

**Posted Score:** 0

**Competitor:** Formula 16 - 6

**Scoring Inquiry:**

GER 06 was not scored

---

**Response:**

GER 6

14h03 25 SUI99 befin to turn around start buoy  
14h03 27 sec AUT125 and SUI99 are turning around Start buoy

14h04 GER6 is capsized and lower the start buoy clearly displayed on picture

14h03 32 sec GER 6 is always capsized and more and more lower the start buoy without righting begun

14h09 finish line is closed because

> SUI 99 , AUT125, 81, 5602 on 14h09 scored by RC

> GER6 is lower more , not right,

> The time to go from start buoy to finish line is 3 or 4 minutes

> If GER6 right from the location lower , the time to go to finish line is upper than the normal track

> The finish line closing is planed on 14h16 without any chance to have GER6 inside.

The GER6 scoring is DNF
