Received: 2025-12-14 13:33 +07

Request No.: 04

Course: A

Race No.: 9

Posted Score: 5

Competitor: Optimist Boy - MAS MAS 115 - MUHAMMAD YAASIN SYAHRIZAN

Scoring Inquiry:

On race 9, I was scored 5th but I believe I finished 4th behind INA . I believe there is an OCS boat infront of me as the X-Ray flag is still flying on the Race Committee boat. I request a scoring review so that I will get my position back. And i would to request to review the video recorded on the Race Committee boat.

Witnesses:

INA 2530

Response:

RC confirmed that MAS finished behind INA(4th position) and scored accordingly.

After reviewing the videos on RC Committee, there was no penalty of OCS for that race. So the score of MAS is correct.
